

TEMPLE BETH-EL'S DONATION WISH LIST

Unrestricted Donations

Temple Beth-El's annual operating and maintenance expenses exceed dues paid by members. Thus, additional voluntary contributions constitute an important means of keeping our budget in balance. Your unrestricted gifts to TBE's general operating fund enable money to flow where it's needed most.

Restricted Donations

Many donors traditionally prefer to limit how their donations to Temple Beth-El are to be used. If you favor such restricted giving, then won't you please consider the following DONATION WISH LIST we have prepared as a guide? It presents areas where your support will truly have the greatest impact.

You may donate in honor of or in memory of a friend or loved one by sending a check payable to Temple Beth-El. Indicate the DONATION WISH LIST item you are willing to contribute in the memo field of your check.

Please mail checks to: TEMPLE BETH-EL / 118 S. GRAND AVE. / POUGHKEEPSIE, NY 12603-3097.

All donations will be acknowledged in writing and listed in our monthly bulletin, *Chayenu*. At our trustees' discretion, commemorative plaques may be designed and installed. Please include a note with the name (and address if non-member) of the individual to be notified of your contribution. Contact Temple Beth-El's Director of Development, Steven Koch by e-mail: saksteve@optonline.net, or call (845) 463-2330 for further information. THANK YOU!
